- 4.1. If you have paid us money under this agreement, but the agreement ends for any of the following reasons before we install the System at your Premises, then when the agreement ends we will promptly refund all of the money you have paid:  
(a) if we have not delivered and installed the System at the Premises within 4 weeks after the original Target Date, and you choose to end the agreement under clause 7.7;  
(b) if we give you notice of a price increase under clause 5, and you choose to end the agreement in accordance with clause 5.3 rather than accept the price increase; or  
(c) Grid Connection Approval is refused.  
(d) If any of the equipment quoted is unattainable and you do not agree to equipment of a similar quality to be substituted

#### **5. Price increases**

- 5.1. Subject to clause 5.2, we can increase the price of:  
(a) the System or any part of it;  
(b) the installation of the System; or  
(c) any other item specified in the Quote,

- 7.4. We will use reasonable endeavours to deliver and install the System at the Premises on the Target Date.
- 7.5. You agree, however, that:  
(a) the Target Date is only a target and not a strict deadline; and  
(b) we will not be liable to you if we fail to deliver and install the System at the Premises by the Target Date.
- 7.6. We will notify you if we do not think we can deliver and install the System at the Premises by the Target Date, and give you a new Target Date.

(c) any effect installation of the System has on any roof manufacturer's warranty; or  
(d) any damage to the roof or Premises which is not due to our negligence or breach of this agreement.

#### **8. Accessing the Premises**

- 8.1. You grant us permission to enter and remain at the Premises, and to have our contractors enter and remain at the Premises, to:  
(a) conduct one or more site inspections, if we think this is necessary; and  
(b) deliver and install the System,  
at any reasonable time, provided we give you at least 3 Business Days' notice of the proposed access time.
- 8.2. You or your representative must be present at the Premises for any site inspection and for the delivery and installation of the System.
- 8.3. You must:  
(a) ensure we and our contractors have convenient and safe access to all parts of the Premises necessary to conduct any required site inspections or to deliver and install the System;  
(b) not hinder or obstruct this access; and

#### **10. System performance and STCs**

- 10.1. We have calculated the Site-Specific Performance Estimate for the System and your Premises in accordance with the CEC System Design Guidelines.
- 10.2. We have calculated the STC Incentive based on:

(a) the maximum quantity of STCs that can be created in respect of the System under law, taking into account the Site-Specific Performance Estimate; and  
(b) the monetary value of that quantity of STCs, and deducted the STC Incentive from the System Price.

10.3. You hereby assign to us all of your existing and future rights, title and interest in and to all STCs created or able to be created in respect of the System.

10.4. You must do anything we reasonably request of you for the purpose of perfecting, confirming or evidencing this assignment, including providing information and executing documents.

10.5. You warrant to us, when you accept the offer set out in the Quote and again on installation of the System, that you have not previously created, or assigned the right to create, any STCs in respect of the System or any other solar photovoltaic generating unit at the Premises.

10.6. If you do anything that:

(a) obstructs or avoids the assignment under clause 10.3;  
(b) reduces the maximum quantity of STCs that can be created in respect of the System; or  
(c) renders the System ineligible for the creation of STCs,  
then we can increase the Total Price by the amount of the STC Incentive, and you must pay us the STC Incentive within 10 Business Days of us invoicing you for it.

10.7. Clause 5 does not apply to any increase of the Total Price increases under clause 10.6, and you cannot end the agreement as a result of a price increase, or refuse to accept it.

## 11. System guarantees

11.1. Subject to clause 11.2, we guarantee:

(ii) something beyond human control that occurred after installation, e.g., an extreme weather event;  
(iii) the System being misused, abused, neglected or damaged after installation;  
(iv) the System being maintained other than in accordance with the Maintenance Documents; or  
(v) the System being repaired, modified, reinstalled or repositioned by anyone other than a service technician approved by us in writing.

11.3. The guarantee in clause 11.1 is additional to any other guarantee or warranty you may have:

(a) from the manufacturer of the System; or

(b) under any applicable law, including the Australian Consumer Law, although these other guarantees and warranties may not cover labour costs, travel costs and delivery costs arising from a claim under these other guarantees and warranties. We will notify you if this is the case, and tell you the costs payable. The costs will be payable in advance.

11.4. During the Guarantee Period, we will provide reasonable assistance to you in making any guarantee or warranty claim against the manufacturer of the System, including by acting as your liaison with the manufacturer.
